

REMARKS

Applicants respectfully request reconsideration of the present application in view of the foregoing amendments and in view of the reasons that follow. Applicants respectfully assert that entry of the requested amendments would place the application in condition for allowance. Alternatively, entry of the requested amendments would place the application in better form for consideration on appeal.

The specification and the drawings stand objected to for introducing new matter with the recitation of “a condenser” in claims 11 and 16. Likewise, claims 11-17 stand rejected under 35 U.S.C. § 112, ¶ 1 and ¶ 2 for failing to comply with the written description and enablement requirements and for being indefinite, respectively, for the recitation of “a condenser” in claims 11 and 16. Applicants gratefully appreciate the Office Action’s continued indication that claims 6-10 are allowed. Applicants would like to point out that no prior art rejections have been made to claims 11-17.

By this amendment, withdrawn claims 1-5 have been canceled without prejudice to or disclaimer of the subject matter contained therein. Claims 11, 13 and 16 have been amended to replace the word “condenser” with “capacitor.” Support for the amendments to these claims can at least be found on page 11, line 5 through page 12, line 7 and Fig. 4 of the present specification. Claims 6-10, 12, 14, 15 and 17 remain unchanged.

This amendment changes, adds, and/or deletes claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, is presented, with an appropriate defined status identifier. Thus, claims 6-17 are presently pending in this application for consideration.

Applicants respectfully submit that the amendments to claims 11, 13 and 16, replacing the word “condenser” with “capacitor” overcomes the objections to the specification and drawings as well as the rejections of claims 11-17 under 35 U.S.C. § 112, ¶ 1 and ¶ 2. Thus, withdrawal of these outstanding objections and rejections is respectfully requested.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Respectfully submitted,
